

Energy Committee Meeting Minutes for Wednesday 8 July 2015 at the
Lanesborough Town Hall

Limited Agenda:

1. Approval and forwarding of the Green Community Grant Application for energy conservation measures at the Lanesborough Elementary School:

Jim Barry looked over the draft data that we sent in last week, and replied that it all looked OK, and we should formally submit the information to Jane Pfister in the Green Community program office.

Motion Made by Jack Hickey, seconded by Gordon Zaks; approved unanimously to submit the Elementary School conservation proposals to the Green Community program.

2. Work on the Town Hall energy conservation:
 - 2.a. South hallway Insulating
 - 2.b. Library Insulating
 - 2.c. Town Hall ceiling insulation

Gordon has some of the walls done, is working on the remainder. We discussed some of the details.

3. Minutes from last meeting approved.

Bob Ericson, Chair
