

Meeting Minutes of Lanesborough Energy Committee on Wednesday 22 July 2015 at Lanesborough Town Hall.

Attendees: Gordon Zaks, Jack Hickey, Bob Ericson

Agenda:

1. Minutes of last Meeting (7-8-15)
 2. The Green Community Grant application for the Elementary School has been approved by the state.
 3. Status of AEG lighting proposal for LES: A motion was made by Jack Hickey and seconded by Gordon Zaks to approve the AEG lighting proposal for LES to replace most lights with LEDs. Approved unanimously. Jack suggested that the proposal info be presented at next BOS meeting. (action: Bob E.)
 4. Status of grant budget: Approved, AEG and Guardian work at LES will be first bills.
 5. Status of Police Station energy improvements drawings. Jack suggested that the Chair call Jim Barry about the re-wiring costs.
- Propane vs Oil: Get cost to bury propane tank from RA George. (action: Bob E.)
- Storage volume planning: Get dimensions of all storage files, boxes, and cabinets. (action: Bob E. and Gordon Z.)
6. Status of Town Hall energy improvements: None, trying to get some architectural firm interested in doing the drawings.
 7. Any unforeseen and urgent business for the energy committee: None

Thank you,
Bob Ericson, Chair
