

## Energy Committee Meeting, 9:00 AM, Wednesday 23 December 2015 at the Lanesborough Town Hall

Attendees: Gordon Zaks, Jack Hickey, Bob Ericson

Agenda:

### 1. Status of Energy projects at the Lanesborough Elementary School.

- School Lighting upgrade - completed
- Gym Heater Air Control - ?
- Weatherization - completed
- Windows, glass and latching- ?
- Possible Solar Panel Site - at Elementary School, requested by 6th grade class and endorsed by Lanesborough School Committee - a great opportunity. Motion made to pursue in parallel with Prospect Street site: all in favor.
- Chair requested permission to explore ownership of the land behind school and to broach the subject with the owner: Motion made, all in favor. Chair will report back.

### 2. Status of PD Drawings and Plans

- Building Plan and drawings: Drawing for furnace room completed before emergency installation of Furnace. Partial wall insulation and GWB complete.

### 3. Work on the Town Hall energy conservation:

- Building Insulating Project Drawings
- South hallway Insulating project
- Library Insulating project
- Town Hall preparation work & ceiling insulation project - 1/3 complete

### 4. Status of Beacon Contract (Beth Greenblatt)

Call Beth about both locations: Prospect Street and Elementary School

### 5. Streetlights Guidelines - comments to the attachment (not addressed, after following discussions)

Committee suggestions for Balance Rock Road to Narragansett intersection: Lower speed from 35 to 25 mph. on both roads.

Move 12/1 light to pole 12/2 + upgrade to 6300

move 12/3 light to pole 12/4 + upgrade to 6300

On Bagely 9/1 and 9/2, increase to 6300 and possibly move to 9/2 and 9/4, along with tree cutting near 9/2

Glassworks Road area- re-look at pole lighting, including cost of stubb pole and light, 6 lights were there, now 3 are left?
