

**Lanesborough Board of Health
Minutes for Meeting August 31, 2015**

In Attendance: Nancy McCabe Boudreau, Larry Spatz, Mike Fahey

Issues Raised:

1. Greylock Estate septic system inspections. Members of the Board of directors, Bruce and Julianne, addressed the LBOH to solve the problem of a shared septic field. BOH suggested that the current system to be surveyed, this survey could be used by anyone who would be selling their home. This inspection will be completed every three years. In addition, each individual tank inspection, would be the responsibility of the seller

2. 16 Grove Ave. septic repair. Owners George and Debra Bliss reported to the BOH that they replaced a pipe without a permit. BOH have asked the owners to have a Title V completed, including having the new pipe instillation checked

3. Septic Plans for review:
52 Victoria Lane. Plans approved
451 Williamstown Rd. Plans to ConCom

4. Body Art Regulations. Continue discussion; review State regulations, review Williamstown regulations
