

**Lanesborough Board of Health  
Minutes for Meeting January 9, 2011**

**In Attendance:** Francisca Heming, Nancy Boudreau, Ed Fahey, Nancy Simond-Ruderman, Larry Spatz

**Issues raised:**

1. **Approval of Minutes:** November 21, 2011 meeting.
2. **New Member to LBOH welcomed:** The LBOH has nominated Larry Spatz to fill the vacated position left by May Hickey, and he has been appointed by the Board of Selectmen.
3. **75 Orebed Rd., Well Contamination:** A letter was received from MassDEP, via Paul Boudreau. They require monitoring information on the granular activated carbon filter system that was installed in the house to remove the toxin trichloroethylene. In particular air quality testing, as well as the effectiveness of the system. Health agent will talk with Paul Boudreau to determine the involvement of the LBOH
4. An E-mail will be sent to Cal Joppru inviting him to our next meeting to discuss housing issues.

**Health Agent Issues:**

1. 21 Chicopee Rd. Michael Belcher, septic plans approved
2. 14 Orebed Rd.: the septic system built in 2004 has failed. A letter has been sent stating that a new septic system must be installed by May 31, 2012. In the mean time, the system will be monitored by Johns Tractor. In addition, the LBOH will require a new perc test.
3. **December Food Report:** On file in the LBOH
4. **Choke Saver Training:** Required by all food establishments. The Health Agent is working on 100% compliance, report on file
