

**Lanesborough Board of Health
Minutes for Meeting September 19, 2011**

In Attendance: Francisca Heming, Nancy Boudreau, Ed Fahey, Nancy Simond-Ruderman

Issues raised:

1. **Approval of Minutes:** August 15, 2011 meeting.
2. **75 Orebed Rd. owner Joe Trybus** Selectman Bob Barton informed the LBOH of the well being contaminated with trichlorethelene. The town is responsible for installing a water system to treat the problem. The DEP has been monitoring 11 wells for the past 10 years. The DEP will continue with the investigation in locating the source of the trichlorethelene.
3. **E-Cigarettes:** Will continue to research. Consider amending existing regulation to including E-Cigarettes.
4. **551 South Main St. Owners Mr. and Mrs. Shirley:** Inspection of the property by the Health agent found no mold to be present. Other tenants in the building are denying and water issues. Inspection of the septic system showed damage to the pump chamber. The previous order that was issued will be modified to make repairs to the pump chamber.
5. **Septic Issues at 29 Profile St.:** The septic field was damaged during construction of the house. The LBOH will require proof of repair prior to anyone living in the home.
6. **Health Agent issues:**
 1. A well permit has been issued to James Rosier of No. Main St.
 2. A well permit will be issued to Grace Christensen of 676 No. Main St. without having a scaled drawing.
