Informational meeting with John Boleng representing 25 Brodie Mountain Road.

- Gave general overview of the project. Submitted Request for Determination for a riverfront area determination. Requested a Special Meeting on 3/15/10 at 7:30 pm to expedite the process for the client.
- Posting meeting for 3/15/10. Paperwork submitted to Town Secretary for the public notice.

7:30 pm

Informational meeting with Betsy Bean and Dave Santolin, Water Department

John Boleng, observing

- Planning to replace the 70 yr. old water tank at the top of Prospect Street. Project will cost approximately \$1.2 million with up to 45% funded through a Rural Development Grant. Tank will be 750,000 gallons. No plan yet as to what will happen with the old tank. Bids for the project will go out in June.
- Working with Tighe and Bond. In the process of evaluating the site. Hill Engineering is doing the surveying. Reviewed previous filings for the area to generally locate the wetlands. Soil sampling has been completed.
- Plan is to use existing access routes. Site location chosen for elevation as system is gravity fed.
- Will need to proceed through multiple town boards. Recommended that they complete site evaluation first before filing any applications with Conservation as location of resource areas will determine the applicable regulations. Water Department will likely pursue permitting through other Town Boards in the meantime.

Other Business:

- Received letter dated 2/24/10 from MassDOT verifying that conditions for 194-0157, Berkshire Mall Connector Road, are understood, provided contact information for the Environmental Monitor, and proposing an observation and monitoring form.
- Received amended cutting plans for 975 Williamstown Road and the Pittsfield Sportsmen's Club on Silver Street. Will be reviewed at Special Meeting on 3/15/10.
- R. Skubel came in to sign permit from February meeting for 11 Stormview Road.
