

LANESBOROUGH FINANCE COMMITTEE

MEETING MINUTES

January 6, 2014

Members Present: W.Stevens, A. Terranova, R. Tinkham, C. Galib, G. Wolf

Guest Present: P. Sieloff, Town Administrator

Minutes of December 2, 1014 approved as amended.

P. Sieloff reported that the survey is complete at the Laston Field, and the cost was \$700.

P. Sieloff reported that the Legal Bill for November is about \$2,000, which is close to the budgeted amount and that the December bill should be lower.

The initial report from the Roads and Ways committees was distributed to the Committee members. There was some discussion as to what the Town responsibility should be for 'non-approved' roads, and R.Tinkham advised that minutes from a Town Meeting of 1901 indicated that many roads were accepted but never recorded in the registry of deeds.

P. Sieloff advised that he is working to generate a Capital Expense plan, which should be finalized in the next few months.

W. Stevens reported on the progress of the MGRHS Building Committee and that we are looking for venues to hold informational meetings prior to the Town meeting vote.

W.Stevens brought up the fact that some of the personnel working the recycling bins have not continued this year, and for the short term the recycling will be available on alternate Saturdays. There was some continuing discussion relative to the haulers picking up recyclables. Paul Sieloff reported that he called the MassDEP, and per them there is no State Law which required haulers to pick up recyclables curbside.

C.Galib asked what progress was being made on the Pre-School program. W. Stevens advised that Bob Barton (LES committee chair) is scheduled for our next meeting and the question can be addressed at that time.

Next meeting scheduled for February 3, 2014 at 6:00 PM in the Selectmen's Office.

Meeting adjourned at 7:45 PM

Respectively submitted:

William V. Stevens, Chairman
